About Us

At **Haystack Homestead Traveling Farm Experiences**, we're more than just a farm—we're a mission. Our mobile programs blend hands-on education, joyful interaction, and community connection. Many of our animals are rescues, while others were lovingly raised right here on our farm.

By booking one of our Traveling Farm Experiences, you're supporting a local, women-owned business that reinvests its profits into **Serendipity Sanctuary** - a farm animal sanctuary where every animal is valued, respected, and loved.

Our Traveling Farm Experiences
